\$35K
FUNDRAISING GOAL FOR
Seminars + Workshops
Technical Tours
Awards Ceremony

WHY PEOPLE ATTEND
To Build Leadership Skills
Network With Local & Regional Attendees
Tour Innovative Local Engineering Projects

SPONSOR BENEFITS INCLUDE
Exclusive Sponsor Perks
Support The Engineering Community
Student+Professional Exposure Across 10 States

WE NEED YOUR SUPPORT TO HOST AN AMAZING CONFERENCE AND SHOWCASE OUR LOCAL ENGINEERS AND ENGINEERING PROJECTS

WRYMC provides a unique experience for civil engineering professionals to network, participate in leadership workshops and career development seminars.

"Orange County is known for its tourism, high-tech industries and competitive universities. However, the highlight will be provided through technical tours, as Orange County showcases some of its greatest engineering achievements. Let's come together and pay it forward by supporting the YMFs as they seek to enhance the engineering profession through meaningful contributions to society."

WRYMC 2023 PLANNING TEAM

The Board of Directors of ASCE Region 9 (CA) and myself are thrilled that the Orange County YMF will be hosting the 2023 WRYMC in Orange County.

"Southern California is the home to significant infrastructure designed, built and maintained by Civil Engineers. We are rich in history and in leadership. The engineering community in Orange County has been one that readily supports local endeavors. Please support OC YMF as they take on this challenge of hosting this event which will bring together ASCE Society officers, Section and Branch leaders, and scores of Student Chapter leaders to this regional leadership conference."
